YONEX RACQUET

YONEX Nanoscience achieves precise control over racquet functions at the molecular level, creating ultra-lightweight racquets that are thinner, stronger and more stable than an ordinary racquet for maximum power and speed from swing energy.

OCBC RACQUET POLICY

- Racquets (except Isometric EX) are custom strung at OCBC. Racquet strings are sold separately. Stringing labor and racquet bags are included at no charge. OCBC recommends Yonex BG-65 string (add cost of string) at 28 lbs. tension.
- Racquets are warranted by Yonex for 14 days from the date of purchase. Racquets broken due to defect should be submitted to OCBC with original sales receipt. OCBC and Yonex reserves the right to deny warranty claims.

SHUTTLECOCK

All shuttlecocks used in OCBC must be purchased from the OCBC Pro Shop. A variety of grades are offered at competitive prices. Unused shuttlecocks may be brought back to OCBC for future play.

Players failing to follow this rule will be subject to ejection from the club and/or have their OCBC memberships cancelled without refund.
